Keeping Our Faith Family Up-To-Date

August 1, 2021

From the Pastor's Pen...

Dear Faith Family,

Men who kiss their wives daily live an average of 5 years longer than married men who do not regularly kiss their wives. *(From The Wisdom of Amish Folk Medicine, ed. Patrick Quillin North Canton, Ohio: The Leader Company, 1993, 94).*

Ephesians 6:10-20

Finally, be strong in the Lord and in the strength of his power. Put on the whole armor of God, so that you may be able to stand against the wiles of the devil.

Healthy spirits require daily belly laughs: "After God created the world, God made man and woman. Then, to keep the whole thing from collapsing, God invented humor." --Spotted on a church bulletin board.

What is on your Bucket List? Does everyone in your family have a bucket list: A bucket list of dreams that you want to experience or realize to fill your heart and make your heart sing???

I have a list so long I am constantly making revisions and additions.

A couple of primary things on my bucket list: see every continent (I have visited 4) and the last 12 states. View the northern lights in Iceland. Watch the whales while Jack cooks on the beach in the San Juan islands off the coast of Washington state. Hike the Appalachian Trail from start to finish. Introduce Major to the next 25 states (he had visited 25 by the age of 8).

Ponder that you are the only you that God created.

Remember to don the garments of Christ this week.

Wear Christ's heart and let your heart show strength to the hurting and afflicted world.

Is Your Personality Bad for Your Heart? The physician who first identified the "Type-A Personality" with high-risk physical and behavioral characteristics later updated the list in the American Heart Journal. Here are some traits that indicate increased risk of heart disease:

Time Urgency

- Being warned by others to slow down
- Haste in walking, eating or leaving the table after a meal
- Obsessive punctuality
- Frequently doing several things at once -- watching TV, eating and reading
- Intense dislike of waiting in lines
- Rapid speech -- speaking at 140 or more words a minute
- Hastening the speech of others, interrupting or answering questions before they have been completely presented

Hostility

- Frequent loss of temper while driving
 - Disbelief in altruism
 - Chronic difficulty in relationships
 - Teeth grinding
 - Excessive irritation at the trivial mistakes of others
 - Harsh, irritating or loud voice
 - Hostile laugh -- very loud, explosive, jarring outburst of sound
- UT Lifetime Health Letter, 5 (December 1993), 2.

I've become a type B so I just share those type A thoughts with all of you who know who you are (wink).

The Ephesians' writer has moved from opening texts of praise and blessing through a long section of urgent exhortations. The verses we study throughout August mark the conclusion of this exhortative material, but in typical Ephesians' style the writer first crashes to a great crescendo of powerful images before closing. Interlocking pictures are stacked one upon another, increasing the drama of challenges confronting each of us ordinary people. A Type A message is given in a fast-paced urgent fashion.

The author opens this section with a revealing "finally" -- denoting the beginning of this ending. There is a slight, but significant linguistic subtlety at the beginning of this text that must be clarified in order to get the rest right. The exhortation to "be strong" carries with it in English a fairly active connotation, inferring a "shape up" or even "get strong" admonition. *Where do you need a spiritual shape-up?*

While we were vacationing recently, we visited the teeny tiny post office in Allenspark, Colorado. This is where we weighed Major when he was 6 weeks old. We walk down from our family cabin and visit here at least once a year. There are always shelves and shelves of free books. The book that I chose and subsequently read was *'What if God Wrote Your Bucket List?'* I loved every minute of this thoughtful and inspiring approach to the 52 things 'you don't want to miss' in life.

There are many take aways from the book and the call from Ephesians to armor up. Make today count, Be grateful for this moment, Speak in Love, Believe the best about others (don't assume the worst), and Be ready.

Where are you masked and ready to share the heart of Jesus?

Ephesians 6:10-20

Finally, be strong in the Lord and in the strength of his power. Put on the whole armor of God, so that you may be able to stand against the wiles of the devil.

FPC NEEDS YOU! AD HOC VOLUNTEER COMMITTEE REGARDING SUNDAY NIGHT WORSHIP

The Session is requesting volunteers interested in working on an Ad Hoc committee to decide if Sunday Night Worship Service should continue, and if so, devising a plan to re-open the 5:00 pm Sunday Night Worship Service at FPC. Sunday Night Live (SNL) began in 2011 as a Contemporary worship service, which included reading scripture, familiar music people could sing, and a short meditation before sharing a simple meal. This allowed our Church to share the Good News and Christian hospitality. Like many activities, it was curtailed by the Covid-19 epidemic. If you are interested in working on this Ad Hoc committee to evaluate re-opening the Sunday Night Worship service, please call the Church (636-2149) during regular business hours and add your name to the list, or show up at the meeting on **August 1st before worship (8:30 am)** for an initial team meeting in the Parlor.

MEET THE NEW FPC YOUTH LEADERS

YOUTH ACTIVITY SCHEDULE IS ON PAGE 10

About Madelyn & Dalton Doyle - FPC's Youth Leaders:

Hello! My name's John Taylor. I'm gonna go out on a limb here and guess that nobody who's reading this knows who I am. But that's okay because we have some mutual friends: Madalyn and Dalton Doyle. Or as me and my wife like to call them, "The kids who live across the street." No, they're not really kids (unless you're as old as me and my wife!). They're young adults venturing into adulthood and starting a family. And even more so, they're the new Youth Group leaders for First Presbyterian Church.

So why am I writing this? That's a good question and I'm glad you asked. You see, I fancy myself a bit of an amateur writer. Which means, I have no clue what I'm doing and I don't think I even use a comma, correctly. But these two "kids" think I'm a bit witty in my writing and wanted a little help in presenting themselves to all of you.

So here goes...I've known Dalton & Madalyn for about three years now. We've actually become really good friends. We go camping together and even take weekend vacations down to Arkansas. So doing adventurous things is definitely one of their hobbies and a big perk for me and my wife as we're always up for a good adventure. I don't want to get too far ahead of myself talking about D&M just yet. I just want to drop a hint as to who my favorite of the Doyle family is...she's one year old and her name is Lucy! She's absolutely adorable and will make your heart melt! When she picks up a muddy rock from the ground and hands it to you, it's not just a rock, it's a gift from her hand to yours that will put a smile on the face of the most grinchiest of Grinches! We love Lucy and her parents, D&M, are doing a great job with her. We're so proud of them.

But does this make Madalyn & Dalton a good choice for your Youth Group leaders? I most definitely think so. I mean, they won't be changing poopy diapers or cleaning baby puke off of their clothes...but have you ever taken a 3 hour drive with a 1 year old? Madalyn & Dalton have and it wasn't a pretty sight to behold when they made it home, but Lucy was smiling! And isn't that what we all want to see our kids do?

Madalyn has some interesting hobbies. She makes greeting cards. I've bought some of her greeting cards. Not just because she's our friend, but I've bought several because she's amazing at this! She's a "master greeting card maker." That's a thing, right? I feel as though that's a real thing.

Dalton...lol, here's a "dad-joke-a-minute," kind of guy. Now, before I give you the wrong impression, Dalton is amazing! His hobbies are anything that has wheels on it. He's really into his dirt bike. He loves working on cars. He loves everything that he does. He has the same joy telling me about his latest dirt bike adventures than his daughter, Lucy, has when she hands me a mud-covered rock. But his dad jokes are terrible. They're simply the worst. I think he just makes these up. Like, he doesn't even find them in a "dad joke encyclopedia." When you meet him, you laugh at them anyway. He's just such a great guy that you'd feel bad if you didn't laugh.

So how does all of this tie into Madalyn & Dalton making great youth leaders for First Presbyterian Church? Because they don't just enjoy that sense of community, they want to share it. They want their church youth to learn new things or try something that they've never thought of before. And what better people to have as Youth leaders than a couple who are doing this now? Their sense of adventure to try new things. Their willingness to give back to a community that has given them so much. These two are excited for this. So excited that it makes them nervous. So nervous that they have to ask the neighbor across the street to help them write an introduction.

Pastor Angela Madden Scott and First Presbyterian Church, you've got some good people here. The next time you see them, hand them a mud-covered rock. They really do know how to say "thank you!"

CLERK OF SESSION REPORT

After a June summer sabbatical, the Session met on July 13, 2021 and July 20, 2021. Here are highlights from these meetings:

Christian Education: Marilyn Hofmann retired as Director of Christian Education in 2017. Since then, two Christian Educators served briefly, but the position has been vacant since December 2019. Marilyn has provided staff support for Sunday School and Vacation Bible School in an interim Educator role since her retirement. Earlier this month, Marilyn informed the Christian Education and Personnel committees that she is resigning from this role.

Following a discussion at the July 13 meeting, Session requested that the Personnel Committee develop recommendations as to salary and job description for a Christian Education staff member. At a special meeting on July 20, the Session approved hiring a Christian Educator. This position will be quarter-time; paid \$12,000 on an annual basis; expected to work an average of 10-12 hours per week; and provide staff leadership for the Christian Education program, including Sunday School for all ages and Vacation Bible School. **This position has been posted. If you know someone with a heart for service and enthusiasm for Christian Education, please encourage them to apply.**

The Session also approved scheduling a celebration of Marilyn's four decades of service to our Congregation. We look forward to sharing our gratitude for the remarkable difference Marilyn has made in the lives of so many members of our Church family.

Associate Pastor transition: The Session called a Congregational Meeting for August 29, 2021 following 9:30 a.m. worship, for the purpose of dissolving Reverend Dr. David Henry's call as Associate Pastor with First Presbyterian Church.

The Session approved allotting up to \$1,500 to furnish the Interim Associate Pastor's office, and paying actual moving or transition expenses for an Interim Associate Pastor.

At the July 20 meeting, the Personnel Committee/Interim Associate Pastor Search Committee reported that it continues to search for an Interim Associate Pastor.

However, because a candidate is not in place, the Committee is planning for the contingency that there will be only one pastor on staff for at least some period of time following Pastor Dave's retirement. Congregation members are encouraged to answer the call to serve during the transition period.

Worship: The Session approved creating an Ad Hoc Sunday Night Worship Service Committee and promote filling it with interested volunteers from the Congregation, to work together devising a plan for how and when the 5 p.m. Sunday night worship service can resume. **If you are interested in the Sunday night worship service, you are encouraged to join this committee.**

Other action: The Session approved the Church participating in the Historic Churches of Jefferson City Tour on September 12, 2021 from 1 – 4:30 p.m.

The Session nominated Marilyn Hofmann, Sharon Keating, and Jeannine Toomey for the Missouri Union Presbytery's Evelyn Bedell Award. This award recognizes the contribution of older adults to the Presbytery's work and ministry, and honors individuals for their faithfulness in a congregation or for Presbytery-wide service.

The Session's next regular meeting is scheduled for August 10, 2021.

On behalf of the Session, thank you for your prayers and support. If you have questions, please do not hesitate to contact any Session member.

Nathan Weinert, Clerk of Session

Session members: Pastor Angela Madden, Pastor David Henry, Ruthie Caplinger, Dave Epema, Todd Holt, Debby Howland, Christa Johnston, Todd Larivee, Melissa Manda, Bev Morff, Matt Morris, Sue Nichols, Lee Pearson, Susie Perkins, Susan Sanker, Vicki Schildmeyer, Nathan Weinert, Debbie Wilson, and Paul Wilson.

From Pastor Dave...

As the ravages of Covid-19 continued and increased in late June I was prepared to "attend" the Worship and Music Conference at Montreat exclusively virtually. However I discovered that it was being held "live" and that Montreat had strict Covid-19 guidelines in place, so I was able to attend virtually for some and live for other parts of the Conference. It was wonderful to be at Montreat, to greet friends and to be part of a gathering of hundreds of Presbyterian musicians and ministers praising God, singing with joy and learning together! When you get that many Presbyterians together to sing, they sound pretty good!

The Conference was titled "Gathered In My Name" and the preacher for the week was the Reverend Cecelia (Pastor CeCe) D. Armstrong, "the very proud Associate Pastor of St. James Presbyterian Church in Charleston, South Carolina". Through powerful messages from God's word she reminded us of the need for and power of gathering in God's name – even when that gathering must be done in non-traditional ways. There were many highlights of the week, but I will mention two.

The Choir made up on many of the Conference participants sang at each worship service and filled the huge Anderson Auditorium with song. One of my favorites was "Who Will Be a Witness?", an American Negro Spiritual, arranged by Joel Thompson which included the words, "Read the Scriptures and you'll understand, that Samson was the strongest man. Read a little further and you will find, God gave him the vict'ry o'er the Philistines. Samson was a witness for my Lord, so, who will be a witness for my Lord?" And my favorite of the hymns we sang together was "We've Come A Long Way, Lord", a Liberian folk melody with the simple words:

*We've come a long way, Lord, a mighty long way
We've come a long way, Lord, a mighty long way
You took our burdens in the heat of the day
We know our God's gonna find a way
We've come a long way, Lord, a mighty long way.*

The other highlight I want to share took place in one of the workshops focused on "new ways to worship God" and the leader divided us into small groups to share "an experience you have had in non-traditional worship". I shared about our Sunday evening worship – which is worship, fellowship and meal together. The others in my small group were genuinely interested in "how you do that" and asked questions, and as we were gathering again as the larger group one of my small group members was talking with the workshop leader. As we reconvened the leader asked each small group to share one of the worship experiences they had heard about in their small group and when she came to our group she ask me specifically to share about our Sunday Night worship and fellowship meal – and mission. I gladly and proudly did so – and when I finished there were questions from the group and after the workshop more questions. What we are doing here in our SN5A worship struck a chord in many and I look for God's Spirit to guide other faith communities into beginning services like ours.

Thank you for the opportunity to be involved in this continuing education event.
